

# Photo Retouching

## How to... Revitalise Your Photos

Revitalise your photos by having them professionally retouched, re-cropped, air-brushed and digitally remastered on CD.

Prices start from just **£15 per image**, depending on quality of original and the amount of retouching required. Price includes a **FREE CD** containing a high-resolution image suitable for printing (from your own PC or by a high street photo developer) plus a low-resolution image suitable for email or web.

**Your original photos will be returned in their original condition.**

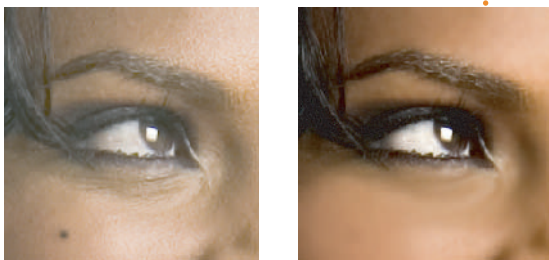

### CHANGE THE BACKGROUND

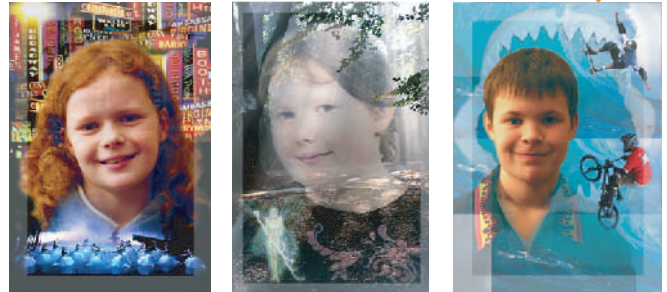

Professionally taken photographs often show every blemish and wrinkle? Digital retouching can smooth over the cracks, blend skin tones, brighten eyes and trim waistlines? Get your wedding photos, portfolio or personal photos digitally retouched to produce the images you want to see.

Digitally change the background, lighting, cropping and composition, and then combine it with new images to create a new personalised photo montage. A re-working of your favourite photo could re-fresh a familiar face or make an ideal gift.

### AIRBRUSH-OUT UNWANTED DETAIL

### CREATE A PHOTO MONTAGE

Retouching work is carried out using **Adobe Photoshop** - the best software there is for this type of work. Images can be saved in a wide range of formats to suit your purpose: screen, CD, web, email, document insert, or traditional photo-quality printing.

### RESTORE AN OLD MASTER

# Price List

## BY POST

Please mail us  
(we recommend you use  
recorded delivery):

1. your original print(s)
2. your instructions
3. your contact details

We will contact you to  
confirm your retouching  
instructions and price.

Mail to:

**AAMdesign**  
**80 Heath Road**  
**Locks Heath**  
**Southampton**  
**SO31 6PJ**

## BY WEB

Alternatively, use our all-electronic service and email  
or upload your image(s) and instructions to:

**sales@aamdesign.co.uk**

We will email you to confirm your retouching  
instructions and price.

Upon completion we will invoice you for payment by  
bank transfer, cheque or credit/debit card (PayPal).  
As well as emailing you your retouched photos we  
will post a CD to ensure you have a backup.
